Who We Are

BipolarBear Enterprises is a carrier trucking company working for owner-operators, providing consistent loads, high earnings, and full operational support to maximize profitability. Our company specializes in Amazon freight, ensuring consistent loads with minimal waiting times and empty miles.

We understand that as an owner-operator, your time is money! That's why we focus on keeping you on the road, fully loaded, and earning at your maximum potential. Our 24/7 dispatch team is committed to finding the best-paying loads while minimizing downtime, so you can focus on driving and growing your business.

We Offer:

24/7 Professional Dispatching - Our team is always available to keep you moving with minimal downtime.

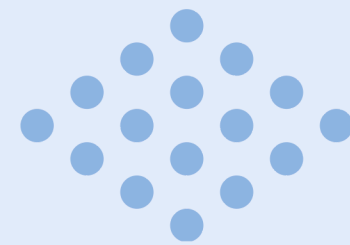

No hidden fees, no fine print, and absolutely no escrow. Plus, weekly direct deposits—get paid on time, every time with full transparency.

Amazon eliminates the hassle of traditional paperwork—no BOLs, Rate Cons, or PODs to deal with. Transit documents are minimized, ensuring a seamless and fully transparent process.

Amazon Partnership

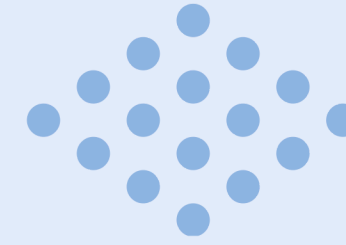

Hook and Drop - No Trailer Needed

No trailer required, and no trailer charge—just hook up and go!

Light Loads - Under 35,000 lbs

Easy on your truck with loads under 35,000 lbs.

No Waiting for Loads

Loads available from anywhere, ready for you to pick up and deliver at your convenience.

Our Charges:

12% company fee

This is Bipolar Bear's service charge for providing operational support, including dispatching, load booking, accounting, and back-office support.

\$400 for insurance

Covers liability and cargo insurance required for compliance and protection on the road.

Deposit of \$250 for ELD (optional)

Deposit for ELD device that will be charged from first week statement and reimbursed if driver leaves the company

\$100 for Administration fee

Covers the cost of electronic logging devices subscription (ELD) and International Fuel Tax Agreement (IFTA) reporting.

Our Partners

Amazon

Through our partnership with Amazon, we secure consistent freight opportunities, giving our drivers steady loads and reliable miles year-round.

FedEx

Working with FedEx allows us to offer time-sensitive and regional shipments, ensuring drivers benefit from regular routes and on-time payments.

Schneider

Our collaboration with Schneider provides access to optimized lanes, strong safety standards, and reduced downtime — helping drivers maximize earnings.

PAM Transport

Partnering with PAM Transport gives our drivers access to dedicated lanes, long-haul routes, and programs that support driver growth and success.

What our Drivers are saying

MARCUS JOHNSON

"I get paid on time every week — no surprises."

ALEJANDRO RAMIREZ

"Dispatch keeps me moving with solid loads I actually want."

DERRICK WILLIAMS

"Paperwork is easy, support is real, and I stay loaded."

STEPHANIE CARTER

"Finally a company that treats drivers like partners, not numbers."
